Bronx Science Parents Association

May 16, 2019

We are excited to celebrate Bronx Science and our children with you at the Parents' Association's 2019 **BEST OF THE BOROUGH'S BENEFIT!** Your support of the auction allows the PA to fund countless initiatives that enrich our children's lives, and for that, we are truly grateful. The dollars we raise will help pay for much-needed items, including technology in our classrooms, materials for science labs, funding for our college office, software loved by parents and students alike, expenses for extracurricular activities, uniforms for our sports teams, and much, much more! Our 2019 online auction raised a record-breaking \$45,144 (an 80% increase over last year!), so let's keep the momentum going and beat last year's live event by 80% as well. We can reach this goal since there will be so many more of you at this year's live auction; we have had a huge increase over last year in ticket sales, and we are really looking forward to spending the evening with you. Together, let's do our "Best of the Boroughs Thing" and bid high and bid often!

A big thank you to our Auction Co-Chairs Meredith El Nems, and Katie Sperling, and their team of dedicated parent volunteers who have given countless hours of their time to pull together our **BEST OF THE BOROUGH'S BENEFIT**. We are also incredibly appreciative of the efforts of our dedicated principal, Dr. Jean Donahue, our fabulous parent coordinator, Cindy Golan, and the entire Bronx Science faculty and staff for creating a stimulating learning environment and fostering parent partnerships which help all of our children excel.

An extra special acknowledgement to Linda DeSabato and Vallo Transportation LTD., who generously underwrote a large part of this event and whose drivers safely transport many of our students to the best high school in the world!

And last, but certainly not least, thanks to all of you for soliciting and donating items, bidding generously, and joining us on the Upper West Side in support of Bronx Science! Remember, your dollars go straight to the PA and directly benefit our children. So, come together this Thursday to eat, drink, dance, and most importantly, bid, bid, bid!

We can't wait to celebrate with you!

Sincerely,
Rebecca Barreras and Lisa Brody
Parents' Association Co-Presidents
